

# **Boardman River Dams Committee Focus Group**

**Purpose:** To assess the progress of the Boardman River Dams Committee and to explore ideas in support of the goals of this project.

Documents provided for purpose of discussion:

- List of major achievements of the BRDC – to be added to
- Descriptions/purpose statements of existing Standing and Task Teams, taken from the BRDC website
- Organizational Chart for the BRDC

**Agenda of each meeting:**

**1. Introductions – “What motivates you to be involved with this project?”**

**2. Review of progress to date**

**3. Evaluate process and participation**

Questions:

Looking over the accomplishments and the Statement of Purpose, what has worked well?

What have been the challenges/things that have not worked so well?

What opportunities were missed, or haven't yet been explored?

**4. Brainstorm possible next steps**

Changes to the Facilitation Team – review of organizational chart

Questions:

What are some ideas for roles within the BRDC and its Standing and Task Teams?

How do you see this becoming more of a community-driven process?

What might be some logical next steps?

**5. Review: How focus group input will be used**
